ABUBAKAR FATIMA LIMAN

Monitoring & Evaluation | Data Collection | Health Projects

Address: Gusau, Zamfara State, Nigeria
Phone:+2347032174171
Email:fatimaliman05@gmail.com

PROFESSIONAL SUMMARY

Detail-oriented Biochemistry graduate with experience in digital data collection, survey administration, data management, and analysis. Proficient in Google Forms, ODK Collect, CommCare, Microsoft Excel, and Power BI for collecting, cleaning, analyzing, and reporting data. Experienced in conducting health-related surveys, preparing reports, managing documentation, and supporting research activities. Passionate about using data-driven insights to support effective project implementation, monitoring, and evaluation in public health and development programs.

EDUCATION

Bachelor of Science (B.Sc.) in Biochemistry
Federal University Gusau (FUGUS), Nigeria
Year of Graduation:2020

TECHNICAL SKILLS

- Monitoring & Evaluation (M&E) Support
- Data Collection and Survey Administration
- Digital Data Collection Tools:
- Google Forms
- ODK Collect
- CommCare
- Data Cleaning, Validation, and Management
- Microsoft Excel:
- Pivot Tables
- Charts
- Conditional Formatting
- Data Validation&Reporting
- Microsoft Word
- Microsoft PowerPoint

- Report Writing and Documentation
- Scientific Literature Review
- Laboratory Documentation
- Sample Collection and Handling
- Laboratory Safety Procedures

PROJECT EXPERIENCE

Tuberculosis Awareness Survey – Data Collection & Analysis Project

- Designed and implemented a tuberculosis awareness survey using Google Forms, ODK Collect, and CommCare.
- Collected, validated, and managed survey responses from online and field-based participants.
- Ensured data accuracy, completeness, and proper organization throughout the data collection process.
- Analyzed collected data and prepared summaries of findings.
- Developed PowerPoint presentations to communicate results and support health awareness interventions.

WORK EXPERIENCE
